THE YENEPLOYA INSTITUTE OF ARTS, SCIENCE, COMMERCE AND MANAGEMENT | BALMATTI | KULLOOR

Dr. Balakrishna kalluraya M.Sc ,Ph.D ,FRSC (London)
Professor and Head
Department of Chemistry
YIASCM. Balmatti , Mangalore

Higher education system in India is the second largest in the world comprising of more than 56,000 Institutions admitting nearly more than 45 million students, educated by more than 1.5 million teachers, with the Gross enrollment ratio of nearly 27 percent.

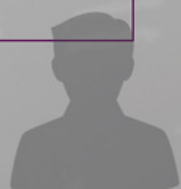

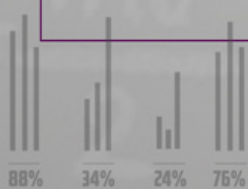

However, the National Education Policy NEP 2020 introduced with transformative Reforms, aims to elevate higher education in India and aims to achieve a GER of 50 by 2035 and also to make Indian Universities and Institutions into top 100 in the global ranking. Our country is slowly transforming from the earlier agriculture based Nation to knowledge based Nation where skill component and knowledge had its own place.

In this context the role of Private/ Deemed Universities is very crucial. Being one of the highly ranked Institution, Yeneploya (Deemed to be) University is contributing extensively in this regard to fulfill this goal put forward in the NEP -2020.

YIASCM a constituent college of Yeneploya (Deemed to be) University is striving hard to give Quality education coupled with skill development among its students.

I feel privileged to be a part of this institution and wish that YIASCM become one of the excellent center for students who aspiring for Quality higher education.

I Congratulate the editorial team of “Ardour” for their hard work and enthusiasm in publishing this Magazine regularly.
